

Our sympathies go out to anyone who has the additional burden of grief and loss during this time of the COVID-19 pandemic, and we are here to guide every family with their particular needs on an individual basis. Assisting you is our privilege and honor at Peterson Mortuary. You can be sure that we are here for you with uninterrupted service and attention, regardless of the cause of passing, 24 hours a day, seven days a week.

Through the COVID-19 pandemic, we will work with bereaved families to create meaningful services that fall within the Iowa Governor's State Public Health Disaster Emergency that limits gatherings to ten people.

Please know that above all, we are committed to the families we serve. We remain focused on maintaining high standards and ethical practices as we serve the deceased and bereaved with the health and well-being of our communities in mind as we move forward together in the coming weeks and months.

Sincerely,

Peterson Mortuary and Staff
