Discussion:

- Affordable Asphalt is going to come on 6/22/2020 to complete the work on the lower road and parking lot.
- Going to have to replace the dump insert – talking possible doing a true dump bed, instead of an insert.
- Removal of trees that are dead or dying going to try to borrow the city lift, or not just going to call Evan's Equipment Rental to rent a lift.
- Will draw up a letter to send to the Legion to let them know that the coffee and donuts will no longer be at the Cemetery Office building after the Memorial Service, the letter will be done by July 15th meeting for approval from the Cemetery Board.
