PROJECT STATUS UPDATE

The Contractor has completed tree removal for the project and anticipates beginning installation of sheet piling for the project. This installation may cause temporary loud noises due to the use of large machinery to install the piling. The work will be limited to within normal working hours.

The phone numbers for the Engineer, Public Works Director, and City Administrator are noted on this Construction Update. Please contact any one of them if you have concerns about the project or have questions during construction.

We apologize for the inconvenience it may cause.
