

6. Toxic Waste: The disposal of hazardous, toxic, or radioactive wastes as defined by the Federal Environmental Protection Agency shall be prohibited within the City of Glenwood and its extra-territorial jurisdiction.

c. Wind Energy Conservation Systems (WECS)

1. The distance from all lot lines or any building or power line to any tower support base of a WECS shall be equal to the sum of the tower height and the diameter of the rotor. A reduction of this requirement may be granted as part of a Conditional Use Permit approval if the Planning Commission finds that the reduction is consistent with public health, safety, and welfare.

2. The distance between the tower support bases of any two WECS shall be the minimum of five rotor lengths, determined by the size of the largest rotor. A reduction of this requirement may be granted as part of a Conditional Use Permit approval if the Planning Commission finds that the reduction does not impede the operation of either WECS.

3. The WECS operation shall not interfere with radio, television, computer, or other electronic operations on adjacent properties.

4. A fence six feet high with a locking gate shall be placed around any WECS tower base; or the tower climbing apparatus shall begin no lower than twelve feet above ground.

5. The WECS is exempt from the height restrictions of the base district.
